Determining Available Rebates

* indicates a required field

Answer the following questions to help us determine which rebates you may be eligible for.

Is the related property, precinct, organisation or event of the requested rebate located within the City of Adelaide (postcode 5000-5006)? *

- ☐ Yes ☐ No

You do not meet the criteria for your requested rebate

As your requested rebate relates to a property, precinct, organisation or event outside of the City of Adelaide's boundaries you are not eligible to apply for our Sustainability Incentives Scheme Rebates.

For more information, [click here](#) to view the Sustainability Incentives Scheme Guidelines and Terms and Conditions relevant to your application.

Is the rebate related to a physical property or precinct? *

- ☐ Yes ☐ No

What is the recipient's relationship to the property? *

- ☐ Owner Occupier ☐ Strata / Community / Body Corporation Committee
☐ Landlord ☐ Property Manager
☐ Tenant

Is the recipient a Commonwealth Concession Card Holder? *

- ☐ Yes ☐ No

Commonwealth Concession Card

Please upload a coloured copy of your Commonwealth Concession Card *

Attach a file:

What is the property used for? *

- ☐ Residential - single dwelling ☐ Multistorey Commercial ☐ Precinct
☐ Residential Strata / ☐ Sports Club ☐ Other:
Community / Body Corporation

Rebate Categories

Incentives for Sustainability Application Form

Form Preview

* indicates a required field

Solar Category

What size Solar PV system have you, or are you, installing? *

- ☐ 1.5 kW to less than 10 kW
- ☐ 10 kW to less than 20 kW
- ☐ 20 kW or Greater

Solar Category

What size Solar PV system have you, or are you, installing? *

- ☐ 10 kW to less than 20 kW
- ☐ 20 kW or Greater

Please provide the exact size of the Solar PV system (kW) you are installing *

Must be a number.

Residential or Business systems 10 kW or larger are eligible for a pre-commitment if desired. Shared Solar systems REQUIRE a pre-commitment.

REPS top up Category

Which of the following REPS approved activities are you undertaking? *

- ☐ Insulation and Building Sealing
- ☐ Heating and Cooling
- ☐ Water Heating
- ☐ Standby Power Controllers
- ☐ Appliances

Please select all that apply. Note: Do not select categories that you have previously received a rebate for.

Appliance Electrification Category

Which category are you applying for the Appliance Electrification Rebate? *

- ☐ Hot Water System
- ☐ Heating Ventilation and Air Conditioning System
- ☐ Cooking Appliances - Stove Top
- ☐ Cooking Appliances - Oven
- ☐ Other:

Please select all that apply. Note: Do not select categories that you have previously received a rebate for.

EV Charger Category

Which type(s) of Electric Vehicle Charger(s) are you applying for? *

- ☐ Electric Bicycle Charging Station(s)
- ☐ Electric Vehicle Unidirectional (One Way) Charging Station(s) (7kW to less than 50 kW)

Incentives for Sustainability Application Form

Form Preview

☐ Electric Vehicle 'Smart' Charging Station(s) (7 kW to less than 50 kW)

Smart stations include those with demand management capabilities or two-way charging capabilities

EV Demand Management Category

Which demand management system category are you applying for? *

- ☐ Stand alone system with basic demand control
- ☐ Network integrated system with advanced demand control including VPP Capabilities

Climate Active Certification Category

Which stage of the Climate Active Certification process are you applying for? *

- ☐ Greenhouse Gas Emissions Inventory and Emissions Reduction Strategy Preparation
- ☐ Independent Audit of a Greenhouse Gas Inventory

Please select all that apply

Performance Ratings Category

Which performance rating scheme are you applying for? *

- ☐ Green Star
- ☐ Earth Check
- ☐ Living Building

Water Saving Devices Category

Which water saving device(s) are you applying for? *

- ☐ Rainwater tank 2,000L or larger plumbed to an appliance or fixture for private use
- ☐ Rainwater tank 10,000 L or larger plumbed to an appliance or fixture for use in common areas or multiple premises
- ☐ Sub-meter, or replacement of existing SA Water meter, with a smart meter that has real-time digital capabilities

Please select all that apply

Home Energy/Sustainability Assessment Category

Which home energy/sustainability assessment are you applying for? *

- ☐ Residential Efficiency Scorecard
- ☐ Other:

Please specify if a different home energy/sustainability assessment is proposed. Any "Other" category assessments will require pre-approval.

Active Transportation Category

Which active transportation category are you applying for? *

- ☐ e-bike
- ☐ e-bike conversion kit
- ☐ cargo bike
- ☐ bike parking racks

Incentives for Sustainability Application Form

Initial Eligibility Check

* indicates a required field

Project Completion Date *

Must be a date.

This is the expected date that an appliance is installed, an assessment or training course ends, or service provision commences.

Please note, if the project was completed more than 12 months ago, you are not eligible for this rebate.

Solar Rebates - Residential or Business

Has this property received a rebate from CoA for a solar system before? *

- ☐ Yes
☐ No

You do not meet the criteria for your requested rebate

As you have previously received a solar rebate for your property you are not eligible to apply for this particular rebate.

For more information, [click here](#) to view the Incentives for Sustainability Guidelines and Terms and Conditions relevant to your application.

Shared Solar Rebate

Has this property received a rebate from CoA for a shared solar system before? *

- ☐ Yes ☐ No

You do not meet the criteria for your requested rebate

As you have previously received a shared solar rebate for your property you are not eligible to apply for this particular rebate.

For more information, [click here](#) to view the Incentives for Sustainability Guidelines and Terms and Conditions relevant to your application.

Energy Storage Eligibility Check

Has this property received a rebate from CoA for an energy storage system before? *

- ☐ Yes ☐ No

You do not meet the criteria for your requested rebate

Incentives for Sustainability Application Form

Form Preview

As you have previously received an energy storage rebate for your property you are not eligible to apply for this particular rebate.

For more information, [click here](#) to view the Incentives for Sustainability Guidelines and Terms and Conditions relevant to your application.

Energy Monitoring Eligibility Check

Do you have a solar system or energy storage battery system installed on your property? *

☐ Yes ☐ No

Has this property received a rebate from CoA for an energy monitoring display before? *

☐ Yes ☐ No

You do not meet the criteria for your requested rebate

As you have previously received an energy monitoring rebate for your property, or you have a solar system or energy storage battery installed on your property, you are not eligible to apply for this particular rebate.

For more information, [click here](#) to view the Incentives for Sustainability Guidelines and Terms and Conditions relevant to your application.

Energy Smart Buildings Eligibility Check

Has this property received an Energy Smart Apartments or Energy Smart Buildings rebate from CoA in the last 12 months? *

☐ Yes ☐ No

Are you a multistorey apartment building or multistorey strata commercial building? *

☐ Yes ☐ No

You do not meet the criteria for your requested rebate

As you have previously received an Energy Smart Apartments or Energy Smart Buildings rebate for your property in the last 12 months, or you are not a multistorey property, you are not eligible to apply for this particular rebate.

For more information, [click here](#) to view the Incentives for Sustainability Guidelines and Terms and Conditions relevant to your application.

Retailer Energy Productivity Scheme (REPS) top up Eligibility Check

Has this property received a rebate from CoA for REPS top up before? *

☐ Yes ☐ No

Incentives for Sustainability Application Form

Form Preview

If yes, which of the following REPS approved activities have you previously received a rebate for:

- ☐ Insulation and Building Sealing
- ☐ Heating and Cooling
- ☐ Water Heating
- ☐ Standby Power Controllers
- ☐ Appliances

You are only eligible for one rebate per approved activity

You do not meet the criteria for your requested rebate

As you have previously received a REPS rebate for your chosen approved activity you are not eligible to apply for this rebate.

If you are unsure about your eligibility for these rebates, please contact incentives@cityofadelaide.com.au.

For more information, [click here](#) to view the Incentives for Sustainability Guidelines and Terms and Conditions relevant to your application.

Appliance Electrification Eligibility Check

Has this property received a rebate from CoA for appliance electrification before?

*

- ☐ Yes ☐ No

If yes, which of the following categories have you previously received an Appliance Electrification rebate for:

- ☐ Hot Water System
- ☐ Heating Ventilation and Air Conditioning System
- ☐ Cooking Appliances - Stove Top
- ☐ Cooking Appliances - Oven
- ☐ Other:

You are only eligible for one rebate per category.

You do not meet the criteria for your requested rebate

As you have previously received an appliance electrification rebate for your chosen category you are not eligible to apply for this rebate.

If you are unsure about your eligibility for these rebates, please contact incentives@cityofadelaide.com.au.

For more information, [click here](#) to view the Incentives for Sustainability Guidelines and Terms and Conditions relevant to your application.

Electric Vehicle (EV) Charging Demand Management System Eligibility Check

Incentives for Sustainability Application Form

Form Preview

Has this property received a rebate from CoA for an electric vehicle charging demand management before? *

☐ Yes ☐ No

How many EV charging stations will be controlled by this demand management system on a single NMI? *

Must be a whole number (no decimal place) and at least 4.

As per Terms and Conditions, a minimum of 4 EV charging stations must be controlled.

You do not meet the criteria for your requested rebate

As you have previously received an EV demand management rebate for your property, or you have less than 4 EV charging stations being controlled by the proposed demand management system, you are not eligible to apply for this rebate.

For more information, [click here](#) to view the Incentives for Sustainability Guidelines and Terms and Conditions relevant to your application.

What is/are the National Meter Identifier(s) (NMI) associated with this application? *

Please list all relevant NMIs. Your NMI can be found on electricity bills related to the relevant property. Ask your installer if you are unsure which NMI your appliance is attached to.

Climate Active Eligibility Check

Has this property received a rebate from CoA for the above stage(s) of the Climate Active Certification process within the last 24 months? *

☐ Yes ☐ No

If yes, which stage of the Climate Active Certification process did you receive a rebate for?

- ☐ Greenhouse Gas Emissions Inventory and Emissions Reduction Strategy Preparation
- ☐ Independent Audit of a Greenhouse Gas Inventory

You are only eligible for one rebate per stage every 24 months.

You do not meet the criteria for your requested rebate

As you have received a Climate Active rebate for this stage within the last 24 months you are not eligible to apply for this rebate.

If you are unsure about your eligibility for these rebates, please contact incentives@cityofadelaide.com.au.

For more information, [click here](#) to view the Incentives for Sustainability Guidelines and Terms and Conditions relevant to your application.

Incentives for Sustainability Application Form

Performance Ratings Eligibility Check

Has this property received a rebate from CoA for performance ratings assessment within the last 24 months? *

☐ Yes ☐ No

You are only eligible for one rebate every 24 months.

You do not meet the criteria for your requested rebate

As you have received a performance rating rebate within the last 24 months you are not eligible to apply for this rebate.

For more information, [click here](#) to view the Incentives for Sustainability Guidelines and Terms and Conditions relevant to your application.

Water Saving Devices Eligibility Check

Has this property received a rebate from CoA for a water saving device before? *

☐ Yes ☐ No

If yes, which water saving device did you receive a rebate for?

- ☐ Rainwater tank 2,000L or larger plumbed to an appliance or fixture for private use
- ☐ Rainwater tank 10,000 L or larger plumbed to an appliance or fixture for use in common areas or multiple premises
- ☐ Sub-meter, or replacement of existing SA Water meter, with a smart meter that has real-time digital capabilities

You are only eligible for one rebate per device type.

You do not meet the criteria for your requested rebate

As you have previously received a water saving devices rebate for your chosen category you are ineligible to apply for this rebate.

If you are unsure about your eligibility for these rebates, please contact incentives@cityofadelaide.com.au.

For more information, [click here](#) to view the Incentives for Sustainability Guidelines and Terms and Conditions relevant to your application.

Commercial Green Waste Diversion Eligibility Check

Has this property received a rebate from CoA for Commercial Green Waste diversion before? *

☐ Yes ☐ No

You do not meet the criteria for your requested rebate

As you have previously received an commercial green waste diversion rebate you are ineligible to apply for this rebate.

Incentives for Sustainability Application Form

Form Preview

For more information, [click here](#) to view the Incentives for Sustainability Guidelines and Terms and Conditions relevant to your application.

Business Sustainability Training Support Eligibility Check

Has this property received two rebates from CoA for Business Sustainability Training Support within the last 12 months? *

☐ Yes ☐ No

You are only eligible to TWO (2) rebates every 12 months.

You do not meet the criteria for your requested rebate

As you have already received two business sustainability training support rebates within the last 12 months you are ineligible to apply for this rebate.

For more information, [click here](#) to view the Incentives for Sustainability Guidelines and Terms and Conditions relevant to your application.

Home Energy/Sustainability Assessments Eligibility Check

Has this property received a rebate from CoA for Home Energy/Sustainability Assessments within the last 24 months? *

☐ Yes ☐ No

You do not meet the criteria for your requested rebate

As you have received a home energy or sustainability assessment rebate for your property within the last 24 months you are not eligible to apply for this rebate.

For more information, [click here](#) to view the Incentives for Sustainability Guidelines and Terms and Conditions relevant to your application.

Food Organics Collection Eligibility Check

Has this property received a rebate from CoA for Food Organics Collection before? *

☐ Yes ☐ No

You do not meet the criteria for your requested rebate

As you have received a food organics collection rebate for your property before you are not eligible to apply for this rebate.

For more information, [click here](#) to view the Incentives for Sustainability Guidelines and Terms and Conditions relevant to your application.

Incentives for Sustainability Application Form

Hard Waste Collection - Making Space for Resource Recovery Eligibility Check

Has this property received a rebate from CoA for Hard Waste Collection before? *

☐ Yes ☐ No

You do not meet the criteria for your requested rebate

As you have received a hard waste collection rebate for your property before you are not eligible to apply for this rebate.

For more information, [click here](#) to view the Incentives for Sustainability Guidelines and Terms and Conditions relevant to your application.

Suppliers of Reusable Delivery Transport Containers Eligibility Check

Has this property received a rebate from CoA for Suppliers of Reusable Delivery Transport Containers before? *

☐ Yes ☐ No

Is your reusable container a beer keg, milk crate, bakery crate, large drum/tank or pallet? *

☐ Yes ☐ No

You do not meet the criteria for your requested rebate

As you have received a suppliers of reusable delivery transport containers rebate for your property before, or your reusable container is a beer key, milk crate or pallet, you are not eligible to apply for this rebate.

For more information, [click here](#) to view the Incentives for Sustainability Guidelines and Terms and Conditions relevant to your application.

Initial Purchase of Reusable Delivery Transport Containers Eligibility Check

Has this property received a rebate from CoA for Initial Purchase of Reusable Delivery Transport Containers before? *

☐ Yes ☐ No

Is your reusable container a beer keg, milk crate, bakery crate, large drum/tank or pallet? *

☐ Yes ☐ No

You do not meet the criteria for your requested rebate

Incentives for Sustainability Application Form

Reusable takeaway containers Eligibility Check

Has this property received a rebate from CoA for reusable takeaway containers before? *

- ☐ Yes
☐ No

You do not meet the criteria for your requested rebate

As you have received a reusable takeaway containers rebate for your property before, you are not eligible to apply for this rebate.

For more information, [click here](#) to view the Incentives for Sustainability Guidelines and Terms and Conditions relevant to your application.

Active Transportation Eligibility Check

Has this property received a rebate from CoA for an active transportation category before? *

- ☐ Yes ☐ No

Which Active Transportation rebate have you previously received? *

- ☐ e-bike
☐ e-bike conversion kit
☐ cargo bike
☐ bike parking racks

Does your chosen bike rack provide parking for three (3) or more bikes? *

- ☐ Yes ☐ No

You do not meet the criteria for your requested rebate

As you have previously received an active transportation rebate for your chosen category or the bike storage rack you have chosen does not park three (3) or more bikes, you are ineligible to apply for this rebate.

If you are unsure about your eligibility for these rebates, please contact incentives@cityofadelaide.com.au.

Pre-commitment

* indicates a required field

Incentives for Sustainability Application Form

Form Preview

The City of Adelaide may give pre-commitments to incentive payments in advance of an installation or eligible action being completed. Final payment of such incentives will be subject to an applicant subsequently meeting all requirements of the Scheme.

This means that an allocation may be set aside for a period of three months, or other such time as agreed in writing by the City of Adelaide, to provide some certainty and enable approvals and engagement to occur.

Pre-commitments are **required** for the following rebates:

- Shared Solar
- Energy Smart Building
- Commercial Green Waste Diversion
- Business Sustainability Training Support
- Home Energy/Sustainability Assessment other than Residential Energy Scorecard Assessments
- Hard Waste Collection - Making Space for Resource Recovery
- Suppliers of Reusable Delivery Transport Containers
- Initial Purchase of Reusable Delivery Transport Containers
- Commercial Dishwasher

You can also seek a pre-commitment for:

- Any projects involving Commonwealth concession card holders or tenanted properties
- Energy storage (any size)
- Solar PV systems of 10 kW or more
- Electric Vehicle Charging Stations and Demand Management
- Climate Active certification
- Performance Ratings
- Food Organics Collection
- Indoor sorting bins
- Reusable takeaway containers

For more information on pre-commitments, please request the Pre-Commitments Procedure document from incentives@cityofadelaide.com.au.

Is the recipient seeking a pre-commitment? *

☐ Yes ☐ No

Development Approval Details

*** indicates a required field**

Does your proposed project include any property modifications? *

☐ Yes ☐ No

Modifications include the addition or upgrade of a solar system, energy storage system, rainwater tank or hot water system, installation of new piping inside the property

What property modifications are included? *

☐ Solar System

Incentives for Sustainability Application Form

Form Preview

- ☐ Energy Storage System
- ☐ Hot Water System (Solar)
- ☐ Hot Water System (Other)

Solar Rebates

Rebate upper limits are as follows:

Residential Solar

1.5 kW up to 10 kW System = \$1,000

10 kW up to 20 kW System = \$2,500

20 kW system or above = \$5,000

Business Solar

10 kW up to 20 kW System = \$1,250

20 kW system or above = \$2,500

Shared Solar

Systems greater than 20 kW sharing a minimum of 25% of solar generated between individual tenants = \$20,000 with a maximum of \$500 per premise (see calculation below).

File Uploads

As part of your application, you will need to provide supporting documentation which includes:

For all applications:

- Relevant Technical Specifications or other descriptions of the works/courses proposed (this could be a web link or a file)

For applications which are pre-commitments:

- Quotes for proposed works detailing the work to be implemented and any discounts or other grants. If installing more than one item or applying for more than one rebate (e.g. solar and energy storage) associated costs must be itemised separately.
- Any other relevant documents.

For final applications (not pre-commitments):

- Itemised receipt(s) detailing:
 - date the work was undertaken
 - location
 - description of the work implemented
 - demonstrating full payment (or evidence of an agreed payment plan)
 - discounts or other grants, including Small-scale Technology Certificates (STCs) and Retailer Energy Productivity Scheme (REPS).
 - if installing more than one item or applying for more than one rebate (e.g. solar and energy storage) associated costs must be itemised separately

Incentives for Sustainability Application Form
