## Pre-commitment

\* indicates a required field

The City of Adelaide may give pre-commitments to incentive payments in advance of an installation or eligible action being completed. Final payment of such incentives will be subject to an applicant subsequently meeting all requirements of the Scheme.

This means that an allocation may be set aside for a period of three months, or other such time as agreed in writing by the City of Adelaide, to provide some certainty and enable approvals and engagement to occur.

Pre-commitments are **required** for the following rebates:

- Switchboard Upgrades
- Commercial Green Waste Diversion
- Initial Purchase of Reusable Delivery Transport Containers
- Suppliers of Reusable Delivery Transport Containers
- Indoor Bins and Hard Waste Collection
- Thermal Efficient Window or Door
- Shading Devices
- Insulation
- Living Buildings
- Climate Smart Buildings

You can also seek a pre-commitment for:

- Any projects involving Commonwealth concession card holders or tenanted properties
- Energy storage (any size)
- Solar PV systems of 10 kW or more
- Electric Vehicle Charging Stations
