

# Catalyst Application Form 2023-24

## Form Preview

### Confirmation of Eligibility

\* indicates a required field

Before you continue with your application, please ensure that you meet all the eligibility criteria for Carbon Neutral Adelaide Catalyst Grants.

- I have read the [Applicant Guidelines](#)
- My organisation is a Carbon Neutral Adelaide Partner ([See more about partnership](#)).
- My organisation is a not-for-profit, business, community corporation or strata corporation.
- My project is located in Adelaide CBD or North Adelaide, if it includes an event , or starts in the boundary area if it is a tour. Please refer to the City of Adelaide [boundary map](#).
- I agree to share the findings or invite Carbon Neutral Adelaide Partner Group as a minimum, plus others in my sector, or the public, as relevant.
- Activities will be delivered between 1 March 2023 and 30 June 2024.
- My organisation does not have any overdue acquittals with the City of Adelaide.

I understand that proposals for the following will not be eligible:

- organisational core operational activity
- the purchase of large capital items or renovations
- activities already completed or due to be completed before the commencement of the funding period 23 January 2023.
- costs already funded by City of Adelaide
- proposals with safety or environmental hazards
- proposals that do not meet COVID-19 requirements
- proposals types that are listed as ineligible in the Applicant Guidelines

### Assessment Criteria

\* indicates a required field

#### Strategic Alignment (15%)

**This proposal relates to the following priority/ies of the City of Adelaide Carbon Neutral Strategy 2015 - 2025 \***

- Create and foster opportunities for partnerships and businesses to grow and prosper from the low carbon economy
- Create a supportive environment for early adoption of great ideas and technologies that enable greenhouse gas emissions reduction
- Facilitate knowledge sharing and network development to enhance community awareness and adoption of opportunities and outcomes to reduce greenhouse gas emissions
- Recognise excellence and celebrate all areas of community leadership towards a carbon neutral Adelaide
- Identify and promote new business and investment opportunities arising from the city advancing its carbon neutral reputation.

At least 1 choice and no more than 3 choices may be selected.

See the Guidelines Document for example activities against priorities

**The pathways to carbon neutrality relevant to this activity are:**

- Renewable electricity
- Energy efficiency
- Transport to and around the city (includes aviation)
- Reducing organic waste to landfill
- Carbon absorption or offsetting

**Other themes that may be covered are**

- Corporate strategy and business case for change
- Science-based targets or certified carbon neutrality
- Other:

#### Activity Benefit (40%)

**Are there key stakeholders for delivering this project? If yes, please detail.**

Must be no more than 20 words.

Are you co-delivering with multiple parties?

**Who is the target audience or main beneficiaries for the project? \***

Must be no more than 50 words.

Who is expected to attend or benefit from the activity?

**What will the specific benefit be for the stakeholders or target audience? \***

# Catalyst Application Form 2023-24

## Form Preview

Must be no more than 50 words.

E.g. an activity might benefit restaurants or cafe owners in their day to day operations, or help property managers solve a problem, etc.

### Will there also be a broader benefit to the city on its journey to carbon neutrality?

Word count:

Must be no more than 50 words.

E.g. Increasing skills of a particular group might help reduce food waste, or reduce fossil fuel use in the city.

### Will there be an event held for this activity \*

- Yes, in person       Yes, online event       No event

### What are the planned activities?

Briefly list (bullet points) the specific activities that will take place and the months they will occur in (200 words recommended)

Innovation, collaboration, capacity building (30%)

### Which of the below approaches will the activity take? \*

- Innovation or new approaches - e.g. a trial of a new approach, engagement strategies, business process, or other
- Collaboration - e.g. partnerships between businesses, shared equipment and resources, collective action, and potential opportunities for City of Adelaide to value-add to the project.
- Capacity building within your organisation or others - e.g. through technology trials, pilots, new approaches, knowledge sharing, or skills training

You can nominate one or more of the above

### Please describe how the activity will achieve innovation, collaboration or capacity building \*

Word count:

Must be no more than 100 words.

Describe briefly how you will achieve at least one of the three options

### How will the results or deliverables be shared with the target audience or group?

- Share with/ invite Carbon Neutral Adelaide Partners
- Provide for inclusion in the Carbon Neutral Adelaide business or community email news list
- Request to host documents on Carbon Neutral Adelaide website
- Provide information on a non-Council website
